

# POP-UP

## Teacher/Artist Exhibit

To continue celebrating our small successes, let's showcase the work that we are doing as art educators during this time.

*Don't overthink  
and do join us.*

***Reply to this  
post with 3  
things:***

- **Teacher** - An exemplar you've made to present a lesson.
- **Artist** - Artwork that you are experimenting with in your personal practice.
- **Answer this prompt...** "What has it meant to be a teacher/artist during Covid-19?"

**We encourage work that is being created in the experimental mood we are all feeling. Completed or in process work welcome.**
